**92%**

admitted to  
Top 50 Colleges

**99%**

Graduation rate

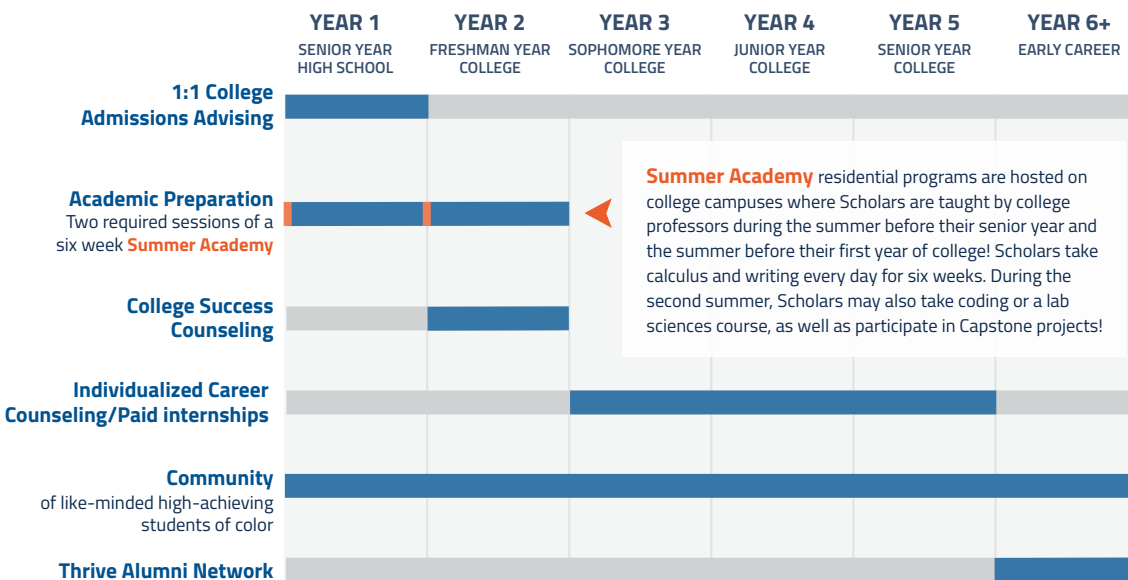

The **CORE Program** is a free college and career success program designed to support Scholars on their journey from high school into high-trajectory careers. From choosing a top college to negotiating a starting salary, our CORE team provides Scholars with expert coaching and strategies for long-term success. Our six years of tailored support starts in high school to career, our supports are to, through and beyond.

OUR SCHOLARS ARE ATTENDING SCHOOLS SUCH AS:

### What Will You Get From the Program?

Thrive Scholars provides high-achieving students of color from low-income backgrounds with the opportunities they need to thrive at top colleges and in meaningful careers.

[thrivescholars.org](http://thrivescholars.org)

Scholars are exposed to a variety of industries and functions through our six Career Pathways. Through these targeted pathways, you will gain the specific skills, interviewing techniques, and experiences necessary to land a competitive internship, full-time position in your desired industry, or admission to a top graduate or professional program.

*Chances of admission are the same regardless of what pathway you select on your application.*

## Our Six Career Pathways

Thrive Scholars  
CORE Program

### Core Exploration

Build foundational competencies and skills that will help Scholars explore and thrive in a variety of industries including the arts, education, government, entertainment, and general business.

### Consulting

Develop business problem solving, communication, and collaboration skills needed for consulting success.

### Tech & Engineering

Learn the technical and transferable skills necessary for success within technology and engineering industries.

### Finance

For Scholars who want to pursue careers in investment banking and other financial services.

### Law

Prepares Scholars to apply and be admitted to a top law school and secure a position with a top law firm.

### Life Sciences

For Scholars who want to pursue careers in medicine and healthcare more generally.

Our Scholars thrive in meaningful careers at organizations such as:

## Program Eligibility

We review all applications holistically and do not have a GPA requirement. Competitive applicants typically meet the following:

- Currently enrolled as a junior in high school
- Primarily A's in the most challenging courses offered at a student's high school
- Highly ranked amongst graduating class
- Planning to apply to college during senior year
- SAT or PSAT score of 1250+ / ACT or Pre-ACT score of 26+ (if available)
- Actively engaged in school community and/or community more generally
- Household annual income at or below \$75,000
- Identify as a student of color and/or first-generation college goer
- A commitment to our residential six week Summer Academy

## Application Timeline

Our two staged application timeline is outlined below. Students who advance to Round Two will be notified in mid-late January.
